

Principles of Good Local Development: Reflection Sheet 2

Instructions: Complete this Reflection Sheet, share your reflections in the discussion forum, and comment on/engage with other participants' reflections.

1 Identify a project that you are currently working on, or worked on in the past, that you consider top-down. What were the benefits, and what were the limitations that you experienced of this approach?

Benefits of Top-Down Approach	Limitations of Top-Down Approach

2 Identify a project that you are currently working on, or worked on in the past, that you consider bottom-up. What were the benefits, and what were the limitations that you experienced of this approach?

Benefits of Bottom-Up Approach	Limitations of Bottom-Up Approach
