

Principles of Good Local Development: Reflection Sheet 5

Instructions: Complete this Reflection Sheet, share your reflections in the discussion forum, and comment on/engage with other participants' reflections.

Explanatory Notes: Download and read through the Organisational Health Check document. This is a tool that we at Bridging Peoples use in our workshops with different organisations.

Follow the instructions for identifying whether and how you share decision-making power, according to the different stages of your project.

Reflection Questions

1 What areas of your project do you think should be improved, to share more decision-making power with community members?

2 What are some practical steps that you or your organisation could take, to achieve greater sharing of decision making power?
